

RFP Addendum

Addendum: **Vendor Questions and Answers**

Date: 06/21/2021

RFP: #3-RFP-SPED-2021 Adaptive Literacy and Math Software

To: All Prospective Vendors

- Is the purpose of the RFP to create a list of approved vendor solutions or to select solution(s) for purchase?
No, we want to find a vendor/s and purchase at district level for all our campuses.
- Would a fully online solution be acceptable?
Yes
- For pricing purposes, how many students are expected to use the solution? How many teachers need to be trained?
Approximately 50,000+; Approximately 3,500 teachers
- Would IDEA like to see tiered pricing?
Yes

Ideally, we are looking for one vendor that could supply both, but are open to quality ELA and/or Math programs individually

- Regarding proposal format, where should the forms in RFP Part V, Required Forms, be included in the proposal?
It would need to be uploaded onto Tyler
- Please elaborate on the requirement on RFP page 6 for "Software programming company that has the ability to work with IDEA data team to correlate their program data with IDEA and state standard data."
Any program we utilize, we want to see it's impact on State Assessments (STAAR, LEAP, TELPAS, ELPT, etc.) so we would love a vendor who can help

- What information does IDEA expect vendors to provide in the Business
