1. BACKGROUND INFORMATION

IDEA is a nonprofit corporation and a tax-exempt organization pursuant to the Section 501(c)(3) of the Internal Revenue Code. Pursuant to Chapter 12, Subchapter D of the Texas Education Code and its Contract for Charter with the Texas State Board of Education, as renewed by the Commissioner of Education, IDEA is an open-enrollment charter holder, governmental entity and public school system. IDEA prepares Texas students from underserved communities for success in college and citizenship. IDEA is a growing network of 123 high-performing charter schools serving approximately 67,988 students located throughout Texas in the Austin, El Paso, Pflugerville, Round Rock, San Antonio, and San Marcos areas. IDEA's growth is rapid, it is also carefully planned. Schools begin with select grade levels and eventually reach full scale as a Pre-K-12 school.

IDEA is a high-achieving, low-income student population. Over 80% of IDEA students are considered low-income and one of every three students is the first in their family to go to college. Since the first graduating class in 2007, 100% of seniors have been accepted and matriculated to a college or university every year for fourteen consecutive years. Thanks to a rigorous path to college that begins in Pre-K, IDEA students attend selective universities throughout the country, win national awards and scholarships, and complete college at a rate six times the national average for low-income students.
